No. 980

History of national communications

Elements of protection

N

Letter "N" is equal to the surface tariff of a postcard abroad.

In 2011 Communications Administrations - members of RCC signed the Agreement on issuing postage stamps of RCC thematic. Its aim is to develop cultural, social and economic cooperation between the states and to consolidate friendship between their people. These stamp issues are notable for using the emblem of RCC in their design. The first issue of RCC thematic was the stamp "20th anniversary of RCC" (2011), the second - 2 stamps from the series "Belarusian national clothes" (2012). The stamp "History of national communications" is the series continuation of the RCC thematic issues.

Philatelic items from the private collection of Lev L. Kolosov were used in the design of the stamp.
