Currently there are two circuses operating in Belarus: the Belarusian State Circus in Minsk and the Gmel State Circus.

The Belarusian State Circus is the only circus in the world that is located on the central avenue of the country capital. The Belarusian State Circus creates its own performances with the national group BelStars touring around the world. The circus organizes tours of international circus groups in Minsk. The artists of the Belarusian State Circus received awards at a number of prestigious international contests and festivals.

The Gmel State Circus is also located in the city center and is one of the recognizable symbols of Gmel.

The circus season lasts from September to May during which the repertoire has five or six programs formed mainly by performances of guest artists and ensembles.

The projects were prepared in cooperation with the Gmel State Circus Entertainment and Culture Complex and the State Entertainment Institution "Belarusian State Circus".

Face value "A" is equal to the tariff of a letter up to 20 gram within Belarus.

Face value "H" is equal to the surface tariff of a letter up to 20 gram abroad.
