Face value A is equal to the tariff of a letter up to 20 gram within Belarus.

The Republic of Belarus is rightfully proud of outstanding scientists who have made a great contribution to the development of science. Their names are known not only in our country, but also abroad. Belarus is particularly proud of academicians of the National Academy of Sciences (NAS).

The Academician of NAS of Belarus Vsevolod Makarovich Ignatovski (1881-1931) was a historian, public and political figure and author of more than 40 scientific and publicistic works including 8 monographs.

The Academician of NAS of Belarus Nikolai Aleksandrovich Borisevich (1923-2015) was a physicist, statesman and public figure, author of more than 430 scientific works including 3 monographs, 8 inventions and 1 scientific discovery.

The Academician of NAS of Belarus Vasili Feofilovich Kuprevich (1897-1969) was a botanist, statesman and public figure, author of more than 100 scientific works including 7 monographs.

The Academician of NAS of Belarus Pavel Osipovich Gorin (real name Kolyada, 1900-1938) was a historian, statesman and author of more than 20 scientific works.

The souvenir sheet and special postmark include the logo of the National Academy of Sciences of Belarus, in cooperation with which the project was prepared.

Colour of the postmark - black.
