M

Hrodna

Element of protection

Letter "M" is equal to the air-mail tariff of a postcard abroad.

Hrodna is one of the oldest cities in the territory of Belarus. According to archaeological research the city appeared in the late 10th century. The official date of the city foundation is the year 1128.

The modern Hrodna is the regional centre of the republic, a large industrial centre of Western Belarus, the only city in the country in which the borders and outlines of the historical centre have remained unchanged.
