Element of protection

Face value "H" is equal to the surface tariff of a letter up to 20 gram abroad.

Diplomatic relations between the Republic of Belarus and the Republic of Azerbaijan were established on June 11, 1993.

One of the most important achievements is the raising of bilateral relations to the level of strategic partnership.

There is an intensive political dialogue between the countries. Active interstate interaction at the highest level harmoniously complements the developing inter-parliamentary ties. The parliamentarians of the two countries contribute in every possible way to deepening relations in trade and economic, cultural, scientific, educational and other fields.

The project was prepared in cooperation with the Embassy of the Republic of Belarus in the Republic of Azerbaijan.
